

THE RURAL MUNICIPALITY OF ROSSER

RCMP CRIME REPORTING

Recently, the Council of the Rural Municipality of Rosser had the pleasure of meeting with Staff Sgt. Sean Grunewald and Sgt. John Greigson of the RCMP.

This allowed for the exchange of important information regarding crime in our community. Community safety is a top priority for the Council of the Rural Municipality of Rosser and the RCMP.

We are dedicated to educating the public in the areas of crime and attempted crime reporting with the important goal of ensuring that all crime is reported, no matter how small. Timely reporting provides the most accurate and up to date crime data and assists in identifying crime trends in any specific community. As well, it can assist in tailoring to the needs of specific communities, based on local priorities.

The end goal is to reduce and prevent crime through a collaborative and proactive approach.

Current Concerns:

RCMP Detachments are currently seeking information in relation to “Highway” Racing or “Street” Racing, which is an unsanctioned and illegal form of auto racing that occurs on a public roadway.

Should you witness such an activity in our community (or while visiting another community), please call 911 to report immediately.

Suspicious or Unusual Activity

If you come upon non-emergent suspicious activity or an unusual situation, after the fact, such as vandalism, recently broken doors or windows on houses and outbuildings, abandoned vehicles etc.; please contact the RCMP non-emergency line at 204-467-5591.

In progress incidents of an Emergent Nature

Please call 911 immediately if you are witness to incidents of an emergent nature, including.

- Break and enter and attempted break and enter
- An unidentified individual looking into building or vehicle windows
- Incidents that require medical attention
- Vandalism in progress
- Vehicle thefts
- An individual in an unusual location who appears intoxicated or disoriented
- An unidentified vehicle driving slowly or aimlessly in an area
- An unidentified vehicle frequently encountered in an unusual location

Timely reporting or reporting while in progress may allow a nearby RCMP unit in the immediate area to respond in a more expedient manner or may provide additional information to the detachment regarding a pending investigation.

The Reeve and Council of the Rural Municipality of Rosser thank you for your dedication to keeping our community safe.
