

Mixed Media Art Journaling for Children

Starting Wednesday October 9th, for 5 weeks

At the Grosse Isle Hall, from 4:45—6:15 pm

Ages 6—11 years old

What is it?

Children will be given their own art journal to start the 5 week program. During this time, students will be exposed to a variety of art mediums including water colours, acrylics, gessoes, markers, pens, coloured pencils, stencils stamps, ink pads and a variety of paper.

They will combine these mediums to create unique journal pages each class and inspire them to continue on their artist venture in their journals once they have finished the 5 week session.

There are limited spaces available and thanks to the IERHA and their Healthy Together Now grant, there is

NO COST for this program.
